

# CATALYST CHRISTIAN MISSION MOBILIZATION

*Making global disciples... through short term mission projects... for the Glory of God!*

## Executive Director's Update - August 2007

Praise God for his work since our last update. God is providing staff and resources as we go to make disciples for God's glory....using short-term mission projects!

### MISSION PROJECT UPDATE

- **Nicaragua** January 5-12, 2008. Thanks to our partnership with Chosen Children ministries, we plan to take a group of 15 university students and up to five staff leaders to Nicaragua right after Christmas. Our focus will include orphanage ministry, using Bible storying for evangelism, and assisting with mass feeding sites.

- **Mexico** Summer 2008. Thanks to a long-term relationship with SBC Missionaries Don and Edith Kennedy, we have an open door to work on university outreach to encourage a church plant in Guanajuato, Mexico. Please pray for university students and college faculty/staff oriented families who will be willing to live in Mexico for a month, learn Spanish, and do Bible studies in their homes/apartments.

### STAFF UPDATES

We are glad to welcome aboard **Kris and Kendra Rickert** September 1, 2007. Kris will serve as our Director of IT and Communications and Kendra will assist with mission projects and as a mission team mentor/service coordinator. The Rickerts live near Milwaukee, Wisconsin, and they are members of Westbrook Church. Welcome also to the Rickert's faith mission support team.

We are also excited to have both **Jan Ingram** of Martin (Member of FBC Martin, TN) working as our financial assistant, and **Ben Boykin/Emergent Graphics** of Blairsville, GA (Member of Crosspoint Church, Ellijay, GA) continuing to help us with our website and electronic wizardry. Thank God for these faithful folks who are helping us launch forward the CATALYST ministry! Watch for a full staff and partner update on our website in the next few months.

### GO SEND WORLD

From a mission-wide perspective, we continue to have needs for infrastructure and function. There are many ways you can give (sponsor a university student to do a mission project, give to the salary/ministry support of our staff, or assist with our general operations). CATALYST can now accept all kinds of gifts including

- Checks made to CATALYST MISSIONS and designated as God leads you.
- Gifts of Stock or Mutual Funds (gift that stock, support God's work, and curtail capital gains!)
- Deferred Gifts (Charitable Gift Annuities, Estate Designations, Charitable Remainder Trusts)
- Gifts of used vehicles (We will either use or sell, according to current need)
- For more information-- contact Andrew Brown 731-499-1806 or [Andrew@catalystmissions.org](mailto:Andrew@catalystmissions.org)

Thank you for supporting our ministry through your prayers, your participation and your financial gifts. As we all surrender to God's call and work, meditate with me as God speaks to the prophet in Isaiah 6: "completely undone"... "completely clean"... "completely called out." We serve an amazing God...aren't you thankful for His grace?

Pray for us as we continue to grow.
