

CATALYST Missions  
Christian Mission Mobilization  
Adventure Serve 2008 December Mission Trip

The outdoor activities you are participating in, while conducted by professionals, are dangerous and could be life threatening. Our partners will do everything possible to insure your safety.

I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

The service activities you will participate in are selected through the help of local missionaries and churches. We cannot guarantee your safety from disease or injury on work sites.

It is the current policy of CATALYST missions to not carry medical insurance on stateside excursions. It the responsibility of the individual to seek medical care for any injury or existing medical condition.

I certify that I have adequate insurance to cover any injury, rescue costs or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or rescue cost or damage myself. I further certify that I have no medical or physical conditions which could interfere with my safety in this activity, or else I am willing to assume -- and bear the costs of -- all risks that may be created, directly or indirectly, by any such condition.

CATALYST Missions provides transportation to and from key activities with an insured driver. If you choose to use another form of transportation, CATALYST can not be held liable.

Our partners for adventures such as whitewater rafting, rappelling, caving, hiking, or other may ask you to sign additional waivers.

Despite the abovementioned, it is my desire to participate in the Adventure Serve mission trip, and I knowingly assume the risks that are involved and release Catalyst Missions, its employees and agents, from any liability for injury, damage, or harm which may occur to my person or property while traveling in connection with this project or otherwise participating in this project.

***By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against CATALYST Missions on the basis of any claim from which I have released them herein.***

***I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.***
