

# Adventure Serve December 2009

#### Details:

- Dates: Dec 18-21, 09
- Cost: \$200

Join CATALYST Collegiate as we embark on the journey of a lifetime through the 2009 Adventure Serve Mission Trip in East Tennessee, North Carolina, and Georgia. This end-of-semester retreat is the perfect way to wind down from a hectic school year and turn your focus to God as you prepare for the Christmas season. On this trip, you will experience God's almighty power as we minister to needy families in the Appalachian Mountains area through construction and civil projects, along with coming face to face with the glory of God's creation through adventure activities such as caving, rappelling, and hiking. You'll also be put to the test both physically and spiritually as you dive into the Romans theme of Transformation while testing some of God's most amazing forces of nature. Finish off your semester the right way, by making a difference in other people's lives, not to mention the change you'll discover in yourself. Will you be transformed? For more information about the trip, contact Jana Ogg.

# Transformation

The poverty in this area is absolutely unreal. We have footage from research in this area, and you could easily think it was a 3rd world country. But it isn't... it is right here, close to home, in our own backyards. These are people who are struggling to find food for the day and to keep some sort of roof over their heads. These are people who desperately need hope - the kind of hope that only Jesus Christ can give them. We have that gift to give them - freely. Will you take the time to come on this trip and take part as He transforms their lives forever?

## **Tentative Schedule:**

### **Friday, December 18<sup>th</sup>**

- Travel day
- Leave Martin in the afternoon / arrive in Cleveland around dinnertime

### **Saturday, December 19<sup>th</sup>**

- Adventure activities in the morning / Rappelling & zip line
- Begin building project in the afternoon for local family

### **Sunday, December 20<sup>th</sup>**

- Morning hike - church on top of the mountain
- Continue building project in the afternoon

### **Monday, December 21<sup>st</sup>**

- Finish building project in the morning
- Work at Copper Basin Crisis Center if project gets finished
- Short hike to waterfall for team picture
- Drive back home

But ask the animals, and they will teach you, or the birds of the air, and they will tell you; or speak to the earth, and it will teach you, or let the fish of the sea inform you. Which of all these does not know that the hand of the LORD has done this? In His hand is the life of every creature and the breath of all mankind. *Job 12: 7-10*
