

## Trip Summary

- Nicaragua is a country tilled to receive the love of Jesus.
- Chosen Children Ministries has a long term presence to follow up and support the believers.
- Many lives across central Nicaragua will be impacted by the love shown by the teams.
- Numerous churches throughout central Nicaragua will be blessed by our teams.
- Temperatures will be in the 80s and 90s with moderate humidity.
- Clean water and great meals are provided.
- Any level of Spanish is helpful but not required.
- Exuberant Christian translators will assist in every stage of the ministry.
- Current US Passport required
- The people are very friendly.

There are vast thousands of children in Nicaragua who hunger for someone to share Jesus' love with them.

- Catalyst provides all logistics for the trip which includes pre-trip planning, training, required background checks, and receipting of donations.
- On-site housing, meals, in-country transportation and insurance are included.
- Trained team leaders will be available for assistance.
- The accommodations are neat and comfortable.

When Jesus' love is shared there is standing room only.

## Donations:

CATALYST Mission is a 501(c)(3) non-profit organization recognized by the Internal Revenue Service.

All contributions towards this trip are tax deductible. This deduction applies to team members as well as their donors.

The cost of the trip is held to a very small margin and we endeavor to be good stewards of the resources given to us.

Thank you for entrusting us with your resources and being a vital part of touching lives in a needy part of the world.

*A missional trip to Nicaragua with a direct focus on long term fruit.*

**"...unless a grain of wheat falls into the earth and dies, it remains alone; but if it dies, it bears much fruit."**

Jesus  
John 12:24  
(NASB)

# Dying to Bear Fruit

Let the children...come to Me.

"Let the children alone, and do not hinder them from coming to Me; for the kingdom of heaven belongs to such as these."

Jesus  
Matthew 19:14  
(NASB)

## Agriculture Extension Workshops

In most of Nicaragua food is life. A pastor outside of Leon is keenly aware of this and is providing his congregation spiritual food. However, many lack physical food. He yearns to develop a field to fill this need.

We need men and women with agriculture backgrounds/expertise to help staff Agriculture workshops from a Christian perspective. With sustainable agriculture a high priority, we will focus on basic training seminars and practical application projects like:

- Seed selection
- Soil improvement
- Rotation
- Family gardening
- Inexpensive irrigation
- Solar power
- Animal workshops  
up to 20 people needed

## Adopt a Grandchild

Join this group as they plant the seeds of Jesus' love into the hearts of orphans of Casa Mephibosheth in Juigalpa. Here an average of 25 children are cared for and taught the Bible. This ministry relies on volunteers and child sponsorship to operate. We are looking for a group of grandparents willing to work with these children and local churches for a life changing spiritual and physical investment.

Potential projects include:

- Bible Clubs for Children
  - Organized Games and snack times
  - Painting and/or basic maintenance work on orphanage
  - Survey and Door-to-Door Evangelism in the orphanage community
  - Testimonies/Lay Revival in Local Church
- 10 team members needed

## Barrio Bible Club & Sports Ministry

If you love working with children and have abundant energy this team is for you. Bible lessons, songs, skits, activities, and play are key components of the ministry that this team will undertake as they sprinkle love into soft hearts.

Throughout the week in Nicaragua a number of different locations will host this team. Hundreds of children will be presented with truths from God's Word through translators in areas where local churches and believers can follow up.

Projects could include:

- Bible Clubs (songs, skits, Bible memory, crafts)
- Organized Games and/or Sports Clinics
- Feeding Ministry
- Possible minor church building maintenance  
up to 30 team members needed

Details:

Cost is approximately \$1,650
